our citizens in Costa Rica and Nicasagua, dur ing the last two or three years, have received Well the prompt attention of this government. Same as and wandering Mexicons, equally character.

The transactions at Virgin Bay in April,

Atlantic and Pacific possessions, who were in no way connected with any belthe troops of Costa Rica, and numbers of them mea are will be killed and wounded, was brought to the knowla friendly spirit by the governments edge of Congress by my predecessor soon atter ens on that remote and lawless fron- investigation and redress which the nature of I, in this connection, permit me to recall sued with reference to other outrages in these

and without any regular administration of jas- lister to Nicaragua was appointed, in December, or indirectly, with its internal affairs, and it is tice. Murder and other crimes are commit el la57, no redress had been obtained for any of a duty which we owe to ourselves to protect with impunity. This state of things calls loud- these wrongs, and no reply even had been re ommendation for the establishment of a Ter- by this Government upon that of Costa Rica

was pass.

The proposal of the

cipated under present circumstances " With the empire of Brazil our relations are of the most friendly character. The produc-

very large amount, but some of these rest upon plain principles of justice, and their settlement ought not to be longer delayed. A renewed and earnest, and I trust, a successful effort, will be made by our Minister to procure their

On the 21 of June last, Congress passed a joint resolution, anthorizing the President "to adopt such measures and use such force as, in bis judgment, may be necessary and advisa-ble," for the purpose of adjusting the difference between the United States and the Republic of Paraguay, in connection with the attack on the U.S. Steamer Water Witch, and with other matters referred to in his annual message. And on the 12th of July following, they made an appropriation to detray the expenses and compensations of a commissioner to that Republic, should the President deem proper to make such an appointment.

diance with these enautments, I have appointed a Commissioner, who has proceeded to Paraguay, with full powers and Instructions to settle these differences in an amicable and experience and discretion justify the hope that he may prove successful in convincing the can Government that i, is due both to honor and justice that they should voluntarily and promptly make atonement for the wrongs which they have committed against the Unired

States, and indemnify our injured citizens whom they have forcibly despoiled of their property. Should our Commissioner prove unsuccessful

When Congress met in December last, the business of the country had just been crushed y one of those periodical revulsions which are the inevitable consconence of our unsound and extravagant system of bank credits and inflarency. With all the elements of nationond thousands of laborers the commercial, manufacturing and mechanical

sold, and consequently must cease to be pro

No government, and especially a govern-

tariff of 1857 had no agency in the result; the

tion of any particular country.

The periodical revolutions which have ex-

isted in our past history must continue to re-

turn at intervals so long as our unbounded sys tem of bank credit shall prevail. They will, however, probably be the less severe in future;

because it is not to be expected, at least for

many years to come, that the commercial na

tion in favor of the passage of a uniform bank

rupt law, applicable to banking institutions.

in a satisfactory manner, negotiation for that purpose has already en commenced. No effort has recently en made to collect these taxes nor is any antipated under present circumstances. Mince Meat! Mince Meat! HE LOVERS OF GOOD MI

ment of such limited powers as that of the United States, could have prevented the late The whole commercial world seemed to have been rushing to this catastrophe. The same ruinous consequences would have followed in the United States, whether the duties upon foreign imports had remained as they were under the tariff of 1846, or had been raised to a much higher standard. The general causes existing throughout the world could not have been controlled by the legislations of Europe, with whose interests our own are so materially involved, will expose them-selves to similar calamities. But this subject was treated so much at large in my last annual message, that I shall not now pursue it farther.

Still I respectfully renew the recommendation

AND PUBLISHED Y Hughes & Co., THIRD STREET,

This is all the power over the subjects which, believe, the Federal Government possesses. Such a law would mitigate, though it might not prevent the evil. The instinct of self-proserration might produce a wholesome restraint apon their banking business, if they knew in advance that a suspension of specie payments would inevitably produce their civil death.

But the effects of the resultion are now slowly but surely passing away. The energy and enterprise of our citizens, with our subconned resources, will apply the period of apother year, restere a state of

The U. S. frigate Merrimac sailed for Honolula on the 23d nlt. A cargo of ice had arrived at Honoluln from Boston in perfect order.

Thirty-seven Arctic whaling ships had arrived at Honoluln, having cargoes amounting rived at Honolulu, having cargoes amounting

Eight ships had arrived from the Atlantic at The ship Lucas, from Victoria to San Fransco, has been totally wrecked at Yarolous

Island. Fifteen lives lost. St. Johns, N. F., Dec. 8 .- The steamer City of Washington was intercepted off Cape
Race on Tuesday afternoon, with Liverpool
dates to Wednesday, the 24th ult. The American advisor by the 1, p. 1. The American advisor by the 1, p. 1. The Amercan advices by the Persia, Anglo Saxon, and Vigo, were received at Liverpool on the 21st; those by the steamers Pacific and Edinburg on It is reported in London that Lord Napier is

be recalled, and that he will be succeeded by Mr. Lyons, from Florence.
There was still no news of the Indian Empire. Later advices from India and China had been received at London. A harricans at Swatford had wrecked 20 vessels; none of them

American. There were still no tidings of the steame Indian Empire, which left New York for Galway on the 30th of October. An insurance was effected on her at twenty-five guineas. The steamer Ariel was nuable to reach Brenen, owing to ice, and she returned to South

The London Post, Minesterial, announces the recall of Lord Napier, and the promotion of Lyons. It says, the assigned cause of the action on the part of the Government, is Na-pier's tendency to favor the Monroe Doctrine. The Globe, also anti-Ministerial, confirms the report; but says that Lord Napier has been transferred to some European mission, in the regular course of promotion; the government being perfectly satisfied with his course.

The ship Agencourt, for the saf-ty of which feurs were entertained, in contequ nee of her being long over-due, has arrived, from Mel-bourne, with 70,000 ounces of sold just. The steamers Pacific, from New York, 8th inst., and Edinburg, from same ; oin , October 30th, arrived out on the 23d ult., he former at Galway, and the latter at Glasgow. It was reported in diplomatic circles in London, and by the press, that Lord Napirr, the British Minister at Washington, is about to be R. H. MAGILL. ecailed. His successor was said to be Mr

Lyons from Florence.

The trial of Montalembnt commenced at Casis on the 24th. The press were specially bridden to take notes. JOHLE, December 8 .- The

day and Thursday evenings, from 8 to 10, at Mr. Harry Marcy, master, sailed on Sunday with residence, on East street, between Green and one hundred and forty passengers, and well supplied with provisions, without a clearance, fore reaching Mobile Point by un armed boat commanded by Captain Morrison and Lieut. White, of the cutter McLelland, and stopped. The passengers on the schooner were greatly enraged at this interference, and threatened the cutter men, not allowing them to come on DR DUPONCO'S GOLDEN FERIODICAL POLICE FOR SALE.—I NEGRO MAN, AGED instructions from the Treasury Department. Wilson, of Ohio, who is suspected by them of being a Government spy, has left town in con

sequence of a disposition being manifested to tar and feather bim. Major Withers has been re elected Mayor by Phonix Insurance Company, uch any of his authorized Ageuts, and you will .

115 majority. NEW YORK, December S .- The charter election in this city yesterday passed off quietly. The vote was amill. Robert T. Haws, the Re-Losses fairly Adjusted and promptly Paid. W. S. VERNON, Agent, octs dinsly No. 10 Main street, Louisville Ky. publican candidate for Comptroller, is elected by a plurality of over eleven thousand votes. Peorla IUSHTUBER
THE AGENCY OF THE PE-The indications are that the Republican caudi-date for Governor of the Almshouse has also been elected. Robert T. Haws, for Comptrol ler, received 32,000 votes to 11,500 for Russell, anti-Tammany, and 18,000 for Purser,
Tammany. Of the 9 Aldermen elected, 5 are
Republicans to 4 Tammany men. Charles
Breminghausen and Isaac Townsend are chosen
governors of the almalogue Of the school officers a majority are Republicans, and the indications are that the advocates of the Bible in
the schools, which was an important formula. the schools, which was an important feature in

the campaign, have some accessions to their H. H. TIMBERLAKE'S planter of Nicaragua, who has just arrived in Washington, is the gentleman on whose authority the Mobile Register lately asserted that the passengers by White & Stebbin's steamer to pass through the country, and that it is determinedly resolved not to allow that company to have the transit. Mr. Kirkland, however, in above-named responsible and well-conversation with his friends here, says the statement requires a spalingerion, to the following effect: When the steamer reached price to be statement requires a spalingerion, to the following effect: When the steamer reached price to be statement requires a spalingerion, to the following effect: When the steamer reached price to pass through the country, and that it is described by the statement requires a spalingerion with his friends here, says the statement requires a spalingerion, to the following effect: When the steamer reached price to pass through the country, and that it is described by the statement of the lath of January next, as after that the passenger of the lath of the passengers by White & Stebbin's steamer aragua, the agent, Childs, called on the Gov. ernment, when he was informed that he, as an individual merely, might carry the passengers BULLOCK & PEARCE, through, but this could not be done in virtue of the White & Stabling contract, which the Government of Nicaragua consuce. ipperative, on the alleged ground of the non-inlinfluent of conditions; and further, that General Jerez was steambast thuir risks taken in the oldering reliable in the United States, emleavoring to contract with other parties for the exclusive right of the transit; and that, in the form of his first the large transit; and that, in the form of his first transit; and that, in the form of his first transit;

on the alleged groune of the states, and leavoring to contract with other parties for the exclusive right of the transit; and that, in the event of his failure, arrangements would be made to throw open the route to competition, the Government to demand a passenger tax.

Mr. Kirkland says, and his statement is correborated by other residents of Nicaragua, that in a wretched, unsettled condition, the people being in continual alaum that walker and his followers were hovering in the melghborhood. The American and Joseph Pittish venerals of war were stationed at all accessible of war were stationed at all accessible.

Mr. I was a service of the state of the state

with the invaders. There were but a few persons from the United States in that country. Those settling there in good faith are not molested, but all rauce business, and will best policies to cover property others, actuated by a contrary motive, are soon made to understand that their room is preferamade to understand that their room is preferable to their company.

Menthis, December 7 .- The steamer E. floward, from New Gricans to Bashville, sunk near Gaines' Landing, on Saturday, with a cargo of sugar and coffee. Loss \$100,000 The Baltic took off a small portion of her ear-
